Crochet is back in fashion, a favorite with today's up-and-coming textile designers. That's why so many people want to learn its simple, textural, and attractive stitches. From choosing yarns and hooks to making a loop and foundation chain, from doing simple edgings to working in rounds, would-be crocheters will find all the basics of the craft right here. The projects begin with an easy pot-holder and progress to blankets for babies and adults; striped and scalloped cushions, scarves, purses, and Christmas decorations.
