Carol Huber Cypher \$24.95

950-997

No other hand felting book is as comprehensive – offering tips on all the tools you'll need to begin and walking you gently through the process step by step. Create the felted equivalent of lamp worked beads, turquoise focal beads, mokume gane beads, and dZi bead look-alikes. Then turn those handmade jewels into an elegant rose bolo, flamboyant felted glass pendant, an inspired calla lily necklace, and more.
