

Hands on Dyeing Blumenthal/Kreider \$22.95 950-103

This workbook on controlled dyeing teaches you an easy method to obtain repeatable, predictable results with the use of commercial dyes. Sections include rules of controlled dyeing, equipment, mixing the dye stock solutions, fiber types, applying dye, color theory, color mixing, resist techniques, overdyeing for sets of harmonious colors, and overdyeing to subdue colors. Rewarding and simple projects give you practice in both dyeing and using your custom colored yarns and fabrics. 86 illustrations, 26 in color.
