

The New Granny Square

Susan Cottrell/Cindy Weloth

\$32.95

950-1089

Today's granny squares aren't square...they're fashionable and stylish! Sometimes they're even round or shaped flowers. Your grandmother might not recognize the granny squares featured in these beautiful projects, but she'd love their transformation and you will too. From embellishments like crocheted butterflies that you can add to clothes, to stunning garments and accessories that are made entirely from granny squares, these fabulous projects will introduce you to a traditional craft that's been thoroughly updated!
