

Beaded Embellishment Amy Clarke/Robin Atkins \$25.95 950-690

Beaded Embellishment takes embroidery to a whole new level. Herein are the stitches, design ideas, and finishing techniques for making spectacular beaded... well, anything!! A brief history of beading on cloth and a "gallery" section illustrate the uses of beading in our past, present, and quite possibly our future. There are 10 projects to get started on, most I felt, with a contemporary flair. A whole chapter however, is devoted to the principles of design and the how-tos for taking your own ideas and turning them into pieces of beaded artwork.
