

Beading with Brick Stitch Diane Fitzgerald \$25.95 950-618

This book offers a wonderful expertise to those interested in this versatile seed beading technique. The author prepared and implemented an experimental curriculum for an eager class of beaders in order to learn enough to offer a quality craft book on the subject. In this book, plain instructions for the beginner, including edging and bracelets, and gorgeous patterns for the more adventurous with paisleys and freeform designs are offered, including a traditional Zulu pattern for a petroglyph necklace and Victorian tassels. The gallery of colorful projects are amazing to see.
