Australian Needlework

\$23.25

950-267

The beauty of wild flowers has fascinated needleworkers from early days. Here is an abundance of them, worked in the many techniques favoured in the 19th and early 20th centuries. Surface embroidery, cutwork, Mountmellick, canvaswork, cross stitch, and some distinctively textured styles all appear here, used on cushion covers, tablecloths, clothing and pictures – and there is a magnificent sampler to challenge you.
