

Celtic Cross Stitch Designs

Carol Phillipson

\$22.95 950-1019

You needn't have an ounce of Irish, Scot or Welsh blood to appreciate these designs all of which are taken from, or inspired by the Celts. Half cross, tent and cross stitches are used to form the spirals, leaves, scrolls, plaits, knots and animal designs that can be traced to these people who lived 1,200 years ago. Colors used for the models are rich and somewhat subdued, though not dull for the more than 100 traditional Celtic forms selected. A thread conversion chart compares the Anchor, DMC and Madeira colors.
