

Little Book of Tassels Danielle Chiel \$15.75 950-682

Tassels always looked difficult and expensive to make until glancing through this book. Mastering four simple basic steps and then experimenting with color, texture, and shape to create stunning tassels. Two dozen projects are featured with full-color photographs, clear drawings, and easy-to-follow instructions. Most can be completed in just a few hours without spending a fortune on materials. Many of the tassels are simple, others are gorgeously decorative, but all are worth a try. You won't believe how easy and inexpensive it is to add the luxury of tassels to your home's decor!
