

Cut my Cote Dorothy Burnham

\$13.50 950-490

There are 27 of them -- all designed to be made from handwoven fabrics with not an inch of cloth wasted. They are based on clothing worn by peoples of different cultures from the 4th century Coptic to a 20th century Korean coat. All are ingeniously designed, attractive, and such things as ponchos, man's shirt, man's smock, a capote or blanket coat, and a woman's sleeveless dress are included. There is a drawing of the pattern and interesting and informative text for each. Illustrated.
