

The Prairie Girl's Book to Life Jennifer Worick

\$17.95

950-1304

Frontier fun meets a home-spun touch in this heart-warming mixture of pioneer projects and wistful nostalgia. Jennifer Worick teaches readers how to sew a quilt, master the art of bread-and-butter pickles, speak old-time slang, and much much more. This is for the legions of Laura Ingalls Wilder fans who have dreamed of what a pioneer life out on the prairie would be like. Combining step-by-step how-to on crafts, with tongue-in-cheek instructions on prairie slang, winning a spelling bee, and singing a lullaby, *The Prairie Girl's Guide to Life* allows fans to finally act out their childhood dreams or to simply enjoy the vicarious thrill of reading about it one more time. This is a book that will pull at the heart strings of every childhood Laura and also teach us a few prairie-time crafts along the way.
