

Wild and Wonderful Fleece Animals

Linda Carr

\$21.95 950-1230

Fleece is soft, warm, easy to work with, and simple to sew-requiring no lining or edge-finishing. Even brand-new sewers can make the perfect gift in a weekend, or less!

This book provides easy step-by-step instruction to make a range of cuddly fleece creatures to keep or give away-in a variety of colors, textures, and patterns. Each of the 20 animals is featured in a full-size photograph, along with a variation in one or more colors or sizes. There are easy-to-follow line drawings and step-by-step text instruction for construction and assembly of each one. Linda adds her own creative touches to each of the simple shapes-decorative trims, bright appliques, and quick, secure closures. Full-size tissue patterns and templates are included for each of the projects. Fleece fabric is easy to find, and the selection of colors, patterns, and textures is increasing in stores like Jo-Ann and Michaels and in traditional fabric outlets.
