

Ashford Book of Spinning Anne Field \$27.00 950-182

Although written specifically for the Ashford wheel, the material included here is so basic and so well presented that it would benefit any spinner. Further, it goes well beyond simply providing instructions for spinning. There are chapters on dyeing, felting, and instructions for making projects using handspun yarns. There are sweaters and scarves, mittens and booties, and more - each illustrated in color. Illustrated.
