

Spinning Llama and Alpaca

Chris Switzer

\$22.50

950-555

"Everything you might ever want to know about spinning the wool from the popular Andean camelid, but couldn't find the best book for," would describe this new book. All kinds of camelid raising lore, wool handling facts, spinning hints, including dyeing, abound here. Along with all the photos and illustrations, there are even some actual samples of wool and yarn.
