

The Spinner's Companion

Interweave

\$31.95 950-615

This is the perfect little book of facts and hints to keep in your spinning basket and learn from. It touches on a plethora of facts and lore that you know you've seen, but in which book? It is published by Spin-Off magazine, so you know you're in good hands. Spinning wheels, drop spindles, fiber handling, yarn handling, charts and tables, some new ideas and discoveries are the content. The format is a small spiral bound, sturdy book printed on heavy paper. Take it to a spinning bee. Your fellow spinners will like it too.
