

Twist & Twine Bobbie Irwin \$28.00

950-1351

Twist and Twine introduces you to the basic techniques of fabric twining, a traditional craft that has been around since the 1800's. Four extraordinary rug projects with a modern sensibility keep the tradition alive, but then the basics are taken to a new level with three-dimensional items, such as bowls, boxes, baskets and household items. There are even projects to revamp old chairs and outdoor furniture for a modern, green approach.
