

Handweaver's Instruction Manual

Harriet Tidball \$12.95 950-940

This classic instruction manual is an historical document of a phase in the evolution of weaving. Understanding of drafts (arrangement of warp) and weaving (arrangement of weft) are of primary importance. In all, 56 drafts are included in this manual, as well as a good list of books published before 1949. Profusely illustrated throughout with black & white illustrations.
