

The Basket Book

Lyn Siler

\$18.95 950-230

This is one of the clearest, most attractive books on basket making I have seen that even a beginner would find it easy to follow. There are instructions for making a flat-bottom egg basket, a solid bottom Shaker basket, a melon slice wall basket, a weed basket, a two-pie basket, a double lidded picnic basket, a marriage basket, a Shaker "Cat's Head" basket, an Oriole basket, a square-ribbed basket, and many more. The 400 illustrations, colorful full-page photos, and beautiful watercolors of baskets make this a book as attractive as it is useful.
