

Friendship Bands
950-864

Marlies Busch, Nadja Layer, Angelika Neeb, Elizabeth Walch \$7.95

I've always loved making small bands, whether macramé, braided, plaited, woven, or beaded on a small loom. These can be gifts for someone special or for yourself. Simple techniques to some pretty sophisticated plaiting techniques are presented so well and so clearly in this book that even the experienced textile artist will find some inspiration. Friendship bands aren't just for kids anymore!
