

A Treasury of Knitting Patterns Barbara G Walker \$33.95 950-046

Over 500 patterns are illustrated here with excellent photographs. Patterns have been gathered from many sources, some modern and some hundreds of years old. They cover eleven categories from knit-purl combinations to lace patterns. Each pattern comes with complete directions for knitting it. Most are accompanied by a descriptive text giving details about the origin and use of the pattern. We recommend it highly.
