

Booties Blankets & Bears    Debbie Bliss    \$26.95    [950-1331](#)

Nursery essentials that will delight new parents and their babies are showcased in this lovely collection of knitted heirlooms. Based around a trio of core baby items—booties, blankets, and teddy bears—these patterns from bestselling knitter Debbie Bliss offer a range of toys, garments, and other accessories. Each project is beautiful in its own right, while reoccurring themes link projects for creating the perfect baby bundle—such as pairing the stitch blanket with the matching booties, blocks, and bunny. Photographs complement the instructions, and an introductory techniques section illustrates knitting basics. Stylish, creative, and beautifully presented, these hand knits are perfect for new parents and parents-to-be or for any knitter looking for a charming, hand-made baby gift.
