Patterns from more than 20 years of Knitter's Magazine are presented in this collection of irresistible knits for babies and toddlers, with the designs representing a selection of the magazine's best patterns from its back issues. Knitters of all skill levels can find the right patterns to make hats, socks, onesies, sweaters, blankets, or cuddlesome toys. Photographs of finished projects and detailed illustrations guide knitters, and all stitches and techniques can be looked up in the section called "School."
