

The Third Viking Knits Collection

Elsebeth Lavold

\$19.95

[950-1361](#)

In her seemingly never-ending flow of new ideas for designs, inspired by the ornamentation of the Viking Age, Elsebeth Lavold has produced yet another beautiful Viking Knits Collection for her yarn line. The stunning front cover design Solveig is the first ever Viking Knits dress she has made.

In the book, you will find many more examples of how the 'Queen of Cable Patterns' incorporates her Scandinavian heritage from a millennium back into modern knitwear in a wide variety of styles, yarns, and levels of difficulty.
