

220 Aran Stitches & Patterns

The Harmony Guides Vol.#5

\$16.95

[950-811](#)

I like this "Harmony" series of books. They are straightforward, contain excellent color photographs, and present each pattern with a photo of the completed stitch, a chart to go with it, and step-by-step written instructions as well. If you like textured stitches you'll find this book a real treasure. It contains diamonds, cables, twists, honeycombs, panels, bobbles, plaits and ribs. It's a great resource book.
