

Animal Knits    Zoe Mellor    \$30.00    [950-711](#)

No recycled run-of-the-mill patterns here, but unique and irresistible creations to please every child. Flop-eared animal slippers exude personality. Sweaters embrace bunnies, roosters, cow prints or tiger stripes; barnyard animals, or a row of handsome ducks or Indian elephants or spotted dogs or lots more animals. The ladybug blanket, pillow and hat invoke smiles all around. There are soft knitted toys and vests and cushions and a great looking Incan style hat with earflaps. Simply looking at the pages of this book is fun! Sized to fit 1 to 6 year olds. Lucky is the child who receives one of these special knits.
