

Double Knits    Zoe Mellor    \$30.00    [950-735](#)

Some of these knits appear to be right out of a Dr. Seuss storybook! There is a "One Fish, Two Fish" design as well as others exhibiting alphabets and numbers in bright primary colors. A unique approach is to provide both pullover and cardigan directions for each pattern. Irresistible animal hats with knitted ears, jester booties, striped tote bag and knitted cats as well as warm, beautiful "Inca" hats and Mexican sweater patterns make this a very appealing book indeed. User friendly with clear diagrams. Anyone fond of knitting and children will appreciate this volume. Gorgeous photographs throughout of beautiful twins in both vibrant color and gorgeous black and white.
