

Adorable Knits for Tots Zoe Mellor \$24.95 [950-862](#)

Fanciful designs to catch the eye of children and those who knit for them. Included are items made primarily in bright colors, with a few one-color designs that feature the texture of cables and pattern stitches for their appeal. Cool cottons and warm wools are used for the dresses, cardigans, blankets, jackets, hats, scarves, mittens and slippers. The author, a self-described "busy mother," makes each design worthy of the precious time invested. Simple designs for the beginner, more challenging designs for the experienced knitter.
